Return Flange (RF) Cable Tray

Return Flange (RF) Cable Tray - Medium Duty [Pre-galvanized] - Pro Cable Management							
Width (mm)	50	75	100	150	225	300	450
Depth (mm)	27	27	27	27	27	27	27
Material Thickness (mm)	1	1	1	1	1	1.2	1.5
Standard Finish: Pre-Galvanized Standard Length: 3000mm (3meter) Accessories: Horizontal Bend, Internal/External Bend, Tee and 4 Way							

Lighter, stronger and more cost effective when compared to standard Perforated Cable trays. We recommend the Return Flange Cable tray for showrooms and exposed cable trays.
